Hotel Advice

Don't wait to make your reservation!!

As we approach Spring Break (Starting in March) Hotels will fill up quickly! Get booked with a refundable fare and have the piece of mind know that you have your place in the sun reserved!

There are additional hotels located new the Sarasota Bradenton airport but there is less activity at those locations.

Area Activities

In addition to the beautiful beaches of Bradenton and Sarasota there are many activities available to the traveler who wants to do more.

From downtown farmer's markets to MLB spring training, Art exhibits and plays, world class rowing competition, fishing and golf, there is something for everyone!

It's also just a short trip to attractions in Tampa and Orlando!
